Career Objective

As a newcomer to the field of frontend development, I hope to work collaboratively with experienced developers to improve my skills and expand my knowledge in web development. I'm excited to learn new technologies and techniques in the field, as well as contribute my creativity and problem-solving abilities to projects that push the boundaries of web design and functionality.

Technical Skill

- HTML 5, CSS 3
- Bootstrap
- Javascript
- Reactjs
- Wordpress
- Figma

Experience

TECHIE NUTPAM PVT LTD

Sep 2022 - Apr 2023

I Collaborated with the team to ensure the website's design and functionality met project requirements and client expectations, and implemented responsive design and cross-browser compatibility.
